APPLICATION TIMELINE

All documents listed in the OPT Application Checklist (on the OPT I-20 Request Form) must be emailed to the Dashew Center to request an OPT I-20 before an OPT application can be submitted to USCIS for processing. The Dashew Center requires up to 10 business days to issue an OPT I-20.

OPT applications may be submitted to USCIS for processing as early as (but no earlier than) 90 days before a student’s program completion date and up to 60 days after a student’s program completion date. USCIS must receive your OPT application within 30 days of your OPT I-20 issue date (as indicated on page 1 of your OPT I-20) —or— within the 60-day grace period (whichever deadline comes first).

Please note that USCIS may require at least 3 months to adjudicate an OPT application, so it is highly recommended that students request their OPT I-20 from the Dashew Center around 90 days before their degree completion date. You may check USCIS case processing times here.

If you would like information about USCIS’ Premium Processing of OPT applications, please visit the USCIS website here.

AFTER SUBMITTING AN OPT I-20 REQUEST TO THE DASHEW CENTER

OPT EMPLOYMENT TIMELINE

F-1 students on OPT have a total of 90 calendar days (including weekends and holidays) of allowed unemployment during their initial 12-month OPT period that begins on the start date of their OPT (as indicated on their EAD card). You may not begin employment until you have received your EAD card and until the start date of your OPT (as indicated on your EAD card) has been reached. Employer approved time off does not count as unemployment time. (Examples: Sick leave, vacation time, holiday closures)

OPT EMPLOYMENT TYPES

All OPT employment must be directly related to your major field of study and appropriate for your degree level.

Paid Employment: A student may work part time (at least 20 hours per week), or full-time.

Multiple Employers: A student may work for more than one employer, but all employment must be related to the student’s degree program. Employment for 1 employer must be at least 20 hours per week.

Short-term multiple employers: A student, such as a musician or other type of performing artist, may work for multiple short-term employers (gigs). The student should maintain a list of all gigs, the dates and duration. Employment must be at least 20 hours per week.

Work for Hire (Contractual): This is commonly referred to as 1099 employment, where an individual performs a service based on a contractual relationship rather than employment relationship. If requested by DHS, the student must be prepared to provide evidence showing the duration of the contract period and the name and address of the contracting company. Employment must be at least 20 hours per week.

Self-Employed Business Owner: A student on OPT may start a business and be self-employed. The student must be able to prove that they have the proper business licenses and are actively engaged in a business related to the student’s degree program. Employment must be at least 20 hours per week.

Employment Through an Agency or Consulting firm: A student on OPT must be able to provide evidence showing they worked at least 20 hours per week while employed by the agency.

Unpaid Employment: A student may work as a volunteer or unpaid intern, where this practice
does not violate any U.S. labor laws. The work must be at least 20 hours per week. A student must be able to provide evidence acquired from the student’s employer to verify that the student worked at least 20 hours per week during the period of employment.

**NOTE:** If requested by U.S. Department of Homeland Security, students must be prepared to provide evidence of OPT employment. The Dashew Center recommends obtaining job verification documentation for all employment (dates, hours, duties, and other pertinent information)

**TRAVELING ABROAD DURING OPT**

If OPT application is Pending with USCIS: Dashew Center does not recommend traveling outside of the U.S. once their OPT application has been submitted to USCIS.

After OPT application is Approved by USCIS: Documents required to re-enter the U.S. in valid F-1 status after OPT has been approved and EAD card received:

- **Valid Passport** (with at least 6 months validity from re-entry date)
- **Valid F-1 Visa**
- **Endorsed OPT I-20** (each travel authorization signature is valid for 6 months from the date it was last signed and must be valid at the time of entry to the U.S.)
- **EAD Card**
- **Proof of Employment or Offer Letter** (Verification document from an employer verifying your job title, job duties, duration and start date of employment written on company letterhead)

**NOTE:** Students who have received their EAD and are engaging in OPT are still considered F-1 students and must travel with a valid F-1 visa to re-enter the U.S. in valid F-1 OPT status. Students with an expired F-1 visa must apply for a new F-1 visa from an overseas U.S. Consulate or Embassy during their next trip abroad to re-enter the U.S. in valid F-1 OPT status. To minimize possible difficulties when applying for a new F-1 visa during OPT, we recommend that students secure OPT employment before applying for a new F-1 visa. F-1 visa applications for students on OPT may require additional time for approval. For F-1 visa application requirements, please visit [http://travel.state.gov](http://travel.state.gov)
